APS Plus After-Hours Support Center provides families and students with additional resources after the school day has ended. The center will be staffed with high-quality educators, tutors and other professionals that will use Google Meet and phone calls to assist students and families with a variety of services including:

- + **K-12 tutoring and academic support**
- + **Family support services**
- + **Social-emotional urgent support**
- + **Technology and Google Classroom troubleshooting**

*The program will be available whether students are working in a 100% remote or blended learning model.*
